30 Day Post-General Report (10/17/02-11/25/02)L

□

The Committee has used best efforts in trying to obtain missing information on contributors. □

□

1. Our original solicitation includes a clear and conspicuous request for the contributor information.□

2. Our original solicitation informs contributor of the federal law requirements.□

3. We make a follow-up, stand alone effort to obtain any missing information, using the FEC's guidelines.□

□

We have support of our attempts and a copy of our original solicitation on file, for review.□

□

In reviewing the item on page 4 regarding the memo items, we believe we have reported them correctly. □

□

In sorting by Id: i.e., 15595 (Michelle Dewlen the disburseent totaled 53.21, which consisted of: □

□

\$ 22.00 of which was to Standard Parking, which the parent refers to Id 15595□

31.21 of which was to Dominick,which the parent refers to Id 15595L

□

It is our understanding that this is the correct way to report reimbursements. □

□

The individual reimbursments (parent #) that do not exactly total the Id, is the reimbursements to the individuals for mileage reimbursement □

□

The disbursements to individuals with the description, 'professional services'were for 'get out the vote services, □

non-candidate specific.' □

□
